KEY and STITCHES

Fpdc—front post double crochet, yo once, hook around indicated post, pull up loop and finish off dc

Fptrc—front post treble crochet, yo twice

Fpdtrc—front post double treble crochet, yo three times

Fptrtrc—front post treble treble crochet, yo four times

BLO—back loop only

Foll--following

Join with a sc—slip knot over hook, insert hook into indicated st, yo, pull through st. Yo, pull through previous yo and slip knot in a fluid motion. Joining sc made.

Beg Cl—Beginning Cluster: Ch 2, then (yo, insert in sp indicated, pull up loop, yo, draw thru 2 loops on hook) 2 times; yo and draw thru all 3 loops on hook. The ch-sequence following in pattern finishes it off.

Cl—Cluster: (yo, insert in sp indicated, pull up loop, yo, draw thru 2 loops on hook) 3 times; yo and draw thru all 4 loops on hook. The ch-sequence following in pattern finishes it off. **Cl are 3dcCl unless otherwise noted.**

Note—the designer uses Invisible Join (see link) for all finishing rounds, instead of the sl st and join method. The use of Air Crochet (standing dc) for strictly rounds that begin and end with a dc is strongly recommended.
